11/2006-Present Store Worker, Sam's Club, Montgomery, AL

Currently, I am a Cart Associate where I retrieve and organize carts for customers on a daily basis. I also load bulky items into vehicles as needed.

I have also worked in other areas including: Bakery Department where I stocked shelves and sorted pastries, and other baked goods. I also unloaded delivery trucks and assisted bakery associates as needed.

Automotive Department as a Tire Maintenance Associate where I changed, balanced, and rotated tires; and installed car batteries. I also assisted tire maintenance associates as needed including selling tires and car batteries.

1/2009-5/2009 Internship, Alabama Tourism Department, Montgomery, AL

I am gaining knowledge about the operation of this state agency by rotating in various divisions within the department. I am learning how to write articles for publication in newspapers, guide books, or on the web; how to publicize, promote, and set up attractions, events, and accommodations to travelers and tourists; how to follow-up phone calls and emails so information is up-to-date; how to catalogue and track usage or ad value of PR material, news stories, brochures, etc., so that the information can be publicized through media outlets or used as supporting documentation for awards; and how to use different strategies and ways to proof and edit brochures, press releases, and web publications so that the content is accurate and grammatically correct prior to publication.
